Each bid shall be accompanied by a certified check, bank cashier’s check, money order, or bid bond, payable to the District, in the amount of ten percent (10%) of the total amount of the bid, to be retained and/or collected by the District if the successful bidder fails to enter into contract within ten (10) days after the award. E. *Work Performed by District Maintenance Personnel.*

Notwithstanding the preceding provisions of this Policy, the Board of School Directors may utilize the District's own maintenance or other personnel to perform maintenance work, irrespective of the entire cost or value of such work.

62 Pa. Cons. Stat. ch. 46

F. *Electronic Bidding.*

The District may permit the electronic submission of bids and may receive bids electronically so long as the District has the electronic capability to maintain the confidentiality of the bid until the bid opening time.

Notwithstanding the preceding provisions of this Policy, if the Board of School Directors determines by resolution that use of competitive electronic auction bidding is in the best interests of the District, a contract for supplies, etc. under subparts B(1) or D(1) above (but not construction, etc. under subparts B(2) or D(2)), may be entered into by competitive electronic auction bidding in accordance with the requirements of 62 Pa. Cons. Stat. § 4604.

62 Pa. Cons. Stat. ch. 19

G. *State Contracts.*

When a state contract is in existence for supplies or equipment, purchasing under the state contract may be implemented in lieu of the bidding or quotation process.
